

Artist Statement

I have been infatuated with drawing from a young age, it is intrinsic to the process of my art practice and my sense of self. Drawing enables a simplification of subject matter. I find it provides a catalyst for interpretation, a tool for which to express and explore atmosphere, time and place. My reflections of the natural world often include cloud formations, mountains, coastal scenes and rainforests whilst narrating moments of time.

Galleries & Retail

Kylie Fogarty is non-exclusively represented by Aarwun Gallery, Gallery of Small Things, Galeria Azur Berlin and Singulart. As Artist in Residence, her works are available at the Cellar Door of Barton Estate Winery. Select intaglio prints are archived in the *Animalia Print Exchange at the National Gallery of Australia*.
